

Norav Medical Products Portfolio

Resting ECG Products

NECG SE-1200 Pro

Electrocardiograph with Printer

- 12 Lead ECG
- Built-In Thermal Printer ECG
- Alpha-Numeric Keypad
- 8" Color Touch Screen

NECG SE-301

Electrocardiograph with Printer

- 12 Lead ECG
- Thermal Printer ECG
- High-Resolution ECG
- Full touch operation

Mobile ECG

ECG Mobile Application

- iOS and Android Compatible
- MEANS automatic interpretation
- Record High-Quality Diagnostic 12-Lead ECG

1200HR

High Resolution ECG

- 12/15 Lead ECG
- MEANS interpretation
- High-Resolution ECG
- Accuracy at High Sampling Rate

ECG Resting Carts

Electrocardiograph Rolling Trolleys

- Robust rolling carts
- Caster base plate
- Adjustable height

1200M

Affordable ECG

- 12 Lead ECG
- MEANS interpretation
- High-Resolution ECG
- Accuracy at High Sampling Rate

NR-1207-3

All in one ECG

- 12 Lead ECG
- MEANS interpretation
- High-Resolution ECG
- Accuracy at High Sampling Rate

NR-1207-E

Mobile Wireless ECG

- 12 Lead ECG
- MEANS interpretation
- High-Resolution ECG
- Accuracy at High Sampling Rate

Universal ECG Belt

Universal ECG Belt, No shave, No Gel

- Fast & easy to place
- Compatible with all 12-Lead ECG brands.
- One Size Fits All

Stress ECG Products

Medical Grade Ergometers

Heavy-Duty For medical, Sports Medicine & Research

- Heavy-Duty
- Reclined Ergometers
- Universal Interfaces

Medical Grade Treadmills

Heavy-Duty For medical, Sports Medicine & Research

- Heavy-Duty
- Programmable Controller
- For sports medicine

Stress ECG Carts

ECG Mobile Application

- Sturdy frames
- Caster wheels
- Aluminum profiles

1200W

Ultimate Wireless ECG

- 12 Lead ECG
- Radio Frequency Wireless Stress System
- Accuracy at High Sampling Rate

1200HR

High-Resolution ECG

- 12 Lead ECG
- High-Resolution ECG
- Accuracy at High Sampling Rate
- Echo Ready - Trigger Out

1200S

Classic PC-ECG

- 12 Lead ECG
- Classic PC-ECG
- Accuracy at High Sampling Rate

NR-1207-3

All in one ECG

- 3,12 Lead ECG
- High-Resolution ECG
- Accuracy at High Sampling Rate

NR-1207-E

Mobile Wireless ECG

- 12 Lead ECG
- High-Resolution ECG
- Accuracy at High Sampling Rate

Tango M2

Blood Pressure Monitor

- BP monitoring
- Motion-tolerant
- Reliable & Automated

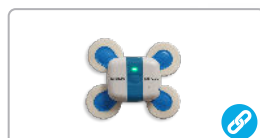

NSPO2-02

Exercise SPO2

- PureSAT® SpO2 technology
- Compact and wrist-worn design
- Up to 44 hours battery life

Holter ECG Products

NR-314-P

Compact size 14 day Holter

- Up to 14 Days
- Rechargeable Battery
- Compact Size & Lightweight
- Water-Resistant (IP64)

NR-1207

12 Lead, Up to 7 Days

- 3,12 Lead ECG
- Remote Analysis
- Up to 14 days
- Automatic interpretation

NR-1207-3

All in one ECG

- 3,12 Lead ECG
- Remote Analysis
- Up to 14 days
- Automatic interpretation

NR-302

3 Lead, Up to 48 Hours

- 3 Lead ECG
- Up to 48 hours
- Remote Analysis
- Automatic interpretation

NR-314

3 Lead, Up to 14 Days

- 3 Lead ECG
- Up to 14 days
- Remote Analysis
- Automatic interpretation

Telemetry Rehab Products

NM-700

Telemetry Monitoring System

- Complete 12 lead surveillance
- Arrhythmia, ST, and SpO2 monitoring, alarms and reporting.
- Cardiac & Pulmonary Rehab

NR-314-T

telemetry Rehab ECG

- 3,6 Lead ECG
- Arrhythmia, ST, and SpO2 monitoring, alarms and reporting.
- Cardiac & Pulmonary Rehab

NR-1207-3

All in one ECG

- Complete 12 Lead ECG surveillance
- Cardiac & Pulmonary Rehab

Ambulatory BP

NBP One

Holter Blood Pressure

- 24-hour Monitoring
- Up to 250 Measurements
- Accurate blood pressure monitoring
- Simple data collection and retrieval

Mobil-O-Graph II

Holter Blood Pressure

- 24-hour Monitoring
- Up to 250 Measurements
- Accurate blood pressure monitoring
- Simple data collection and retrieval
